GO GREEN

ezyBILL *Email rate notices*

Did you know...

It costs ratepayers \$28,000 for Council to print and post rate notices each year!

Here's what you can do to help bring this cost down...

Receive your rate notice via email by signing up to Ezybill.

*Save time
Save our environment
Save money for our community*

By choosing to receive your notice electronically, you will be helping to reduce costs and our ecological footprint. If you opt to receive notices via email, you will receive your Rate Notice(s) on the issue date wherever you are with internet access avoiding postal delays.
