

BUSINESS IN THE CASSOWARY COAST REGION

Sustainability Quickstart Guide

Caring For Cassowary Coast

Join us on the sustainability journey for our extraordinary place, culture, and communities. Our region is home to two remarkable World Heritage areas: the Wet Tropics Rainforest and the Great Barrier Reef Marine Park. These iconic landscapes are not only globally treasured but are deeply embedded in the lives, stories, and traditions of the First Nations people. Rainforest to reef together we all have a part to play to ensure that these environments will be here for future generations.

To help you on your sustainability journey we have put together a quick checklist.

Whether you're here for a day or for a lifetime, we hope you will join us in respecting and caring for the Cassowary Coast!

Your Sustainability Quickstart Checklist

Assess and reduce our environmental footprint

Accessible Business? List on the CCRC accessibility directory

Support local suppliers and low-impact activities.

Prioritise recycling and reduce waste.

Educate staff and customers on sustainability.
